

# GRASSROOTS GIVING PROGRAMME: 2018

## Auckland Foundation

Auckland Foundation is delighted to work with the Tindall Foundation each year, through its Grassroots Giving Programme.

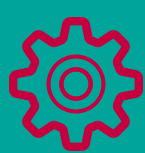

This generosity aims to bring vital resources to local, trusted organisations that underpin our communities.

### \$3.13 million

in total grants made to community organisations across Auckland since 2004.

### 10+

years as a Tindall Foundation Regional Funding Manager.

### 47

organisations and community groups funded - 9 more than in 2017!

### 34%

of applications were made by first-time applicants.

### 46%

of funded programmes will support early years or youth development.

### 875+

volunteers involved in delivering outcomes over the next 12 months.

### 53%

of funded organisations have 3 or less full-time staff.
